

**APPROVAL OF A FIVE-YEAR AGREEMENT  
WITH SHI TO PROVIDE MICROSOFT LICENSES  
SYSTEMS OFFICE**

**RESOLUTION NUMBER 2022-22**

**WHEREAS**, the College has successfully negotiated a license agreement with SHI to provide the College with the rights to use Microsoft products and services critical to the continued ability of the College to meet its educational mission, and

**WHEREAS**, the Office of Information Technology has determined that the price the College negotiated with SHI is the lowest possible cost to the College for the licenses and cloud services that will meet the College's ongoing needs, and

**WHEREAS**, the term of this services agreement will be five years commencing on August 1, 2022 and continuing through July 31, 2027 for a cost of \$4,800,000, and

**WHEREAS**, the pricing is locked per unit over the term of the agreement allowing the college to account for changes in staffing levels, enrollment, and cloud services consumption, and

**WHEREAS**, the State Board of Trustees must approve any contract imposing a financial obligation on the part of the College exceeding \$500,000 unless the obligation was previously approved by the Board through the allocation of funds.

**NOW THEREFORE BE IT RESOLVED**, that the State Board of Trustees authorize and direct the College President, or her designee, to enter into a five-year Agreement with SHI for a cost of \$4,800,000 to provide the College with Microsoft licenses and cloud services after the documents have been reviewed and approved by the College Counsel.
