

**Ivy Tech Community College - Bloomington
and Saint Joseph's College Online**

Articulation Agreement

This Articulation Agreement provides transfer admission opportunities for academically qualified students and graduates of Ivy Tech Community College, who are interested in completing their bachelor's degree through Saint Joseph's College Online.

Terms of Agreement:

- I. The Saint Joseph's College Online program most suitable for articulation with Ivy Tech Community College Radiation Therapy Program is the following: Bachelor of Science in Health Administration (BSHA) degree program with a progressive path to a Master of Health Administration degree. The accompanying degree plan table reflects the degree requirements for the BSHA program, which may be subject to change.
- II. Saint Joseph's College Online will accept for admission a degree candidate who has earned a grade point average of 2.0 or better (based on a 4.0 scale) into the online Bachelor of Science in Health Administration degree program, upon confirmation of official transcripts. The student must be in good standing with Ivy Tech Community College and meet any specific admission and enrollment standards and requirements for the program at Saint Joseph's College Online.
- III. Ivy Tech Community College students accepted at Saint Joseph's College Online will receive academic credit for all College level courses that were successfully completed with a letter grade of C or better and are deemed comparable (based on current course description information, course/degree requirements, and agreement by the representatives of the respective programs) to current SJC courses. Non-credit or remedial courses will not be accepted for transfer credit and/or graduation requirements. All transcripts will be reviewed on an individual basis.
- IV. Ivy Tech Community College students/graduates need to submit an application and official transcripts from Ivy Tech Community College, as well as any other educational institutions previously attended.

- V. A minimum of 25% of coursework in SJC's online degree program must be taken through Saint Joseph's College Online.
- VI. If a student does not have the foundation or skill to enroll in an upper level course due to a lack of the appropriate introductory course(s), any necessary prerequisite course(s) will be required.
- VII. Prerequisite and/or general education courses required for the Bachelor of Science in Health Administration degree may be transferred from Ivy Tech Community College or other accredited institutions, but 25% of the identified course requirements must be completed at Saint Joseph's College Online. Saint Joseph's College Online agrees to waive the application fee for all students of Ivy Tech Community College.
- VIII. This agreement will be reviewed annually and may be revised by mutual consent. In addition, Saint Joseph's College Online and Ivy Tech Community College agree to notify one another in writing, at least one semester in advance of program changes that might affect the transfer of students under this agreement.
- IX. Both entities agree to the right to use each other's names in print and media advertising to the public for the purpose of marketing the programs described herein.
- X. Ivy Tech Community College agrees to promote this partnership and provide informational materials to their students and graduates. Saint Joseph's College Online will reciprocate by including the partnership on their Radiologic Science Administration's webpage.

Ivy Tech Community College and Saint Joseph's College Online, recognizing the importance of providing a seamless coordination between the bachelor degree enrollments, hereby enter into an Articulation Agreement. We, the undersigned, as the representatives of Ivy Tech Community College and Saint Joseph's College Online, hereby demonstrate our commitment to full implementation of the agreement.
