

Medical Imaging Program Schedule

FALL 1ST SEMESTER – 1ST 8 WEEKS.

Monday – 1st Year students - 8:00-10:15 Lecture/Lab/Online Activity- Orientation to Radiographic Positioning
10:30-12:00 Lecture – Lecture/Online Activity Radiation Equipment Operations
12:00-1:00 Lunch
1:00- 3:00 Lecture/Online Activity – Orientation to Medical Imaging

OR

Wednesday – 1st Year students - 8:00-10:15 Lecture/Lab/Online Activity - Orientation to Radiographic Positioning
10:30-12:00 Lecture/Online Activity – Radiation Equipment Operations
12:00-1:00 Lunch
1:00- 3:00 Lecture – Orientation to Medical Imaging/Online Activity

Tuesday and Thursday – 1st Year Students –8:00 – 4:00pm - Clinical Education **4 weeks on campus for Clinical orientation.** Assigned clinical rotation begins week 5 thru week 8.

FALL 1ST SEMESTER – 2ND 8 WEEKS.

Monday – 1st Year students - 8:00-10:15 Lecture/Lab/Online Activity- Radiographic Positioning I
10:30-12:00 Lecture/Online Activity – Radiation Physics
12:00-1:00 Lunch
1:00- 3:00 Lecture/Online Activity – Radiographical Patient Care

OR

Wednesday – 1st Year students - 8:00-10:15 Lecture/Lab/Online Activity- Radiographic Positioning I
10:30-12:00 Lecture/Online Activity – Radiation Physics
12:00-1:00 Lunch
1:00- 3:00 Lecture/Online Activity – Radiographical Patient Care

Tuesday and Thursday – 1st Year Students –8:00 – 4:00pm - Clinical Education

SPRING 2ND SEMESTER – 1ST 8WEEKS

Monday – 1st year students - 8:00-10:15 Lecture/Lab/Online Activity- Radiographic Procedures
11-2:15 Lecture/Online Activity – Radiobiology and Radiation Protection

OR

Wednesday – 1st Year students - 8:00-10:15 Lecture/Lab/Online Activity- Radiographic Procedures
11-2:15 Lecture/Online Activity – Radiobiology and Radiation Protection

Tuesday and Thursday – 1st Year Students –8:00 – 4:00pm - Clinical Education

SPRING 2ND SEMESTER -2ND 8WEEKS

Monday – 1st year students - 8:00-10:15 Lecture/Lab/Online Activity- Radiographic Positioning II
11:00-2:15 Lecture/Lab/Online Activity–Radiographic Positioning III

OR

Wednesday – 1st Year students - 8:00-10:15 Lecture/Lab/Online Activity- Radiographic Positioning II

11:00-2:15 Lecture/Lab/Online Activity–Radiographic Positioning III

Tuesday and Thursday – 1st Year Students –8:00 – 4:00pm - Clinical Education

SUMMER 3RD SEMESTER

Wednesday – 8:00-3:30 Lecture/Lab/Online Activity - Radiographic Positioning IV

Monday, Tuesday, Thursday and Friday – 8:00-4:00pm - Clinical Education

FALL 4TH SEMESTER – 1ST 8 WEEKS.

Tuesday – Senior students - 8:00-10:00 – Lecture/Online Activity - Pharmacology and Advance Procedures
10:15-1:00 - Lecture/Online Activity - Image Production I

OR

Thursday – Senior Students - 8:00-10:00 – Lecture/Online Activity - Pharmacology and Advance Procedures
10:15-1:00 - Lecture/Online Activity - Image Production I

Monday, Wednesday, and Friday - Clinical Education - 8:00 – 4:00pm

FALL 4TH SEMESTER – 2ND 8 WEEKS.

Tuesday – Senior students - 9:00-11:00 - Lecture/Online Activity - Image Production II

OR

Thursday – Senior students - 9:00-11:00 - Lecture/Online Activity - Image Production II

Monday, Wednesday, and Friday - Clinical Education - 8:00 – 4:00pm

SPRING 5TH SEMESTER – 1ST 8 WEEKS.

Tuesday – Senior students - 9:00-12:00 - Lecture/Online Activity – Radiology Registry Review

OR

Thursday – Senior students - 9:00-12:00 - Lecture/Online Activity – Radiology Registry Review

Monday, Wednesday, and Friday - Clinical Education - 8:00 – 4:00pm

SPRING 5TH SEMESTER – 2ND 8 WEEKS.

Tuesday – Senior students - 9:00-11:00 - Lecture/Online Activity – Radiographic Exam Prep

OR

Thursday – Senior students - 9:00-11:00 - Lecture/Online Activity – Radiographic Exam Prep

*****Clinical Education is daytime with rotations of evenings to be determined

*****Subject to change without notification
