What additional training or preparations would you like to see for students before they are placed with you?

No.	Text Response
1	N/A
2	Documentation skills, trauma informed care
3	None that I can think of at the moment
4	They already arrive with good preparations.
5	I feel that Ivy Tech has prepared the students before they enter into an internship, however it is up to the individual student to apply what they have learned in the classroom to real life situations.
6	I think boundaries and self-care are the two areas tough areas for us all.

7	Students seemed to be well prepared, no suggestions.
8	N/A
9	Nothing to add, my intern was very prepared.
10	Professional Appearance
