

DRIVEN TO SUCCEED!

Get on the road with your Commercial Driver's License

IVY TECH
TRUCK DRIVING SCHOOL

Earn Your CDL in Just 4 weeks!

Ivy Tech has partnered with 160 Driving Academy to provide CDL training that prepares students with expert instruction and extensive hands-on training.

Classes start every Monday!

DID YOU KNOW...

- Commercial truck driving is one of today's fastest growing careers.
- Estimates predict 300,000 truck-driving job openings every year.
- Earning your CDL will put you on the road for a job with an average salary of \$50,340.
- You'll receive training from instructors who have a minimum of three years driving experience and are accredited by the 160 Driving Academy standards.
- Earning your CDL means endless income opportunities. Advanced certifications, specialized, and experienced drivers can earn well over six figures, annually.
- You can complete your training in just 4 weeks!
