

The U.S. Department of Education Regulation 34 CFR 668.43 (a) (5) (v) requires that professional nursing programs (RN and APRN) will provide information about (1) what states/jurisdictions meet state educational requirements for professional licensure or certification, (2) what states/jurisdictions where the institution's curriculum does not meet state educational requirements for professional licensure or certification, and (3) what states/jurisdictions where the institution has not made a determination of whether the curriculum meets educational requirements. Relevant information is listed below. Interested parties are directed to [Board of Nursing Licensure Requirements | NCSBN](#) at the National Council of State Boards of Nursing website for further program information.

*Applicants for licensure in a state that is part of the Nurse Licensure Compact will need to meet uniform licensure requirements: [2023 NLC ULRs.pdf](#)

1. List of all states/jurisdictions where Ivy Tech Community College curriculum meets state educational requirements for professional licensure or certification.
