HEATHER BATCHELDER

DISABILITY SERVICES SPECIALIST

Heather Batchelder spent 20 years teaching in public schools, private schools, and home school co-ops. She has been a classroom teacher, special education teacher, special education director, family advocate, literacy specialist, and parent of children with special needs. She holds a BA in Elementary Education with a recent post-graduate certificate focused on online learning and teaching. She is excited to be at Ivy Tech helping students achieve their dreams and goals for their future.
