# HEATHER JACKS

**CHIEF OF STAFF**

---

I am Heather Jacks, I am a member of our campus AWARE team and the Anderson campus Public Safety and Emergency Preparedness (PSEP) lead. I joined Ivy Tech in 2018 after 30 years in corporate retail. It is my goal to ensure the safety of our students and staff while on our campus. Myself and our security team are CPR and AED certified as well and continuing to attend trainings in the area of safety and security.
